

Titan Sportsplex Niagara - Player's Code of Conduct

Sportsmanship

Sportsmanship is a very important aspect to maintain while competing. Please treat your opponents, coaches, match officials, teammates & all interactions with respect while participating in activity at Titan Sportsplex Niagara. This will contribute to an engaging yet competitive environment for all players.

Injuries

If an injury occurs on the field, the game where the injury occurs **MUST** come to a complete stop. This means the ball stops moving and the game does not resume until the injury is dealt with properly by the Referee or Titan Sportsplex's facility manager. In the case of a serious injury, please approach the facility manager in the dome or office to allow the situation to be handled promptly and professionally. There is **no added time** per game due to injury.

Altercations

Violence, physical and verbal abuse will not be tolerated within the facility. Rules of play are clearly defined and arguments should be kept to a minimum. Players seen to be consistently causing altercations or game delays may be denied entry to the facility. Titan Sportsplex Niagara holds the right to remove a player from the facility at any time under the discretion of the facility manager.

Individuals displaying violence, physical abuse or verbal abuse towards players, officials, staff or management, or provoking altercation between players will be **REMOVED** and/or **BANNED** from the facility upon review of the situation.

First Aid

There are first aid kits and ice packs readily available in the front office. Please see staff on-site to request them if needed.
